Who are we?

CareTutor: More than eLearning. A complete learning and workforce-development solution for adult social care.

✅ **120+ CPD-accredited courses, with new learning added regularly at no additional cost to clients**

✅ Learning that brings care to life, combining **professional video, actors, animation, scenarios, activities and knowledge checks**

✅ Built with leading **subject matter experts** and continually reviewed to reflect current practice across **England, Scotland, Wales and Northern Ireland**

✅ Pathway LMS with **AI Course Builder, gamification, automated learning pathways and instant compliance reporting** for managers and senior leaders

✅ Inclusive learning for a diverse workforce, with courses available in **40+ languages and an AI Learning Assistant** coming soon

✅ Beyond mandatory training, with **Skills for Care quality-assured leadership development, free educational webinars, TeamTalk microlearning and SmartRefresh**

✅ **Bespoke eLearning design,** turning an organisation's own policies, procedures, equipment guidance and specialist subjects into engaging, trackable learning

CareTutor

Reviews

*"What a **breath of fresh air** your system is. Easy to navigate and follow. The best one I have seen so far. **Excellent customer service, prompt reply, very professional and friendly.** Mega Thanks for making my very busy life a lot easier. Well done guys!"*

- JC, Jasmine Care South East

*"CareTutor is in our opinion the **very best company for e-learning in the country.** Pathway allows us as a company to stay ahead of training needs. We have a complete overview of who needs what and when. The management and support team are only a phone call away."*

- SC, Your Choice Care Ltd

*"I find CareTutor very easy to use as an administrator and our Carers don't have any problems completing the courses. If there is a problem, it is always **easy to get help.** The CareTutor team is very efficient."*

- GC, My Care Services
